

THE LION THE WITCH AND THE WARDROBE

CHARACTER DESCRIPTIONS

ASLAN	A lion, the rightful King of Narnia and other magic countries. He sacrifices himself to save Edmund, but is resurrected in time to aid the denizens of Narnia and the Pevensie children against the White Witch and her minions. Aslan is the all-powerful creator of Narnia.
THE WHITE WITCH	The land's self-proclaimed queen and the primary antagonist of the story. Her reign in Narnia has made winter persist for a hundred years with no end in sight. When provoked, she turns creatures to stone with her wand. She fears the fulfillment of a prophecy that "two sons of Adam and two daughters of Eve" will supplant her.
LUCY PEVENSIE	The youngest Pevensie is cheerful, kind, and brave. This curious, happy-go-lucky girl is the first of the children to venture into Narnia. In the beginning, she is the protagonist, although Aslan fills that role later in the story. We view much of the action through her optimistic eyes, as a foil to the skeptical eyes of Edmund.
EDMUND PEVENSIE	The third oldest Pevensie child, Edmund, is a brat for much of the story. Spiteful and mean, he likes to tease his sister, Lucy. His greed for the enchanted Turkish Delight leads him to act as a traitor against his siblings, joining forces with the White Witch, but he eventually sees the error of his ways and returns to the good side.
PETER PEVENSIE	Peter is the oldest of the Pevensie children, and he is noble and courageous. He matures into a young man during his first few days in Narnia. He immediately proves himself after protecting Susan from a ferocious wolf.
SUSAN PEVENSIE	Susan is practical, motherly, and perhaps a bit bossy. Her practical and intelligent nature keeps her from some of the childlike imagination that comes more easily to her siblings. She is sweet and kind, eventually becoming known as Queen Susan the Gentle.
TUMNUS	A faun, Tumnus is the first individual Lucy meets in Narnia. Tumnus befriends Lucy, despite the White Witch's standing order to turn in any human he finds. He initially plans to obey the order but, after getting to like Lucy, he cannot bear to alert the Witch's forces. He instead escorts her back towards the safety of her own country.
MR. BEAVER	Friend of Tumnus. The Beavers play host to Peter, Susan and Lucy and lead them to Aslan. — <i>this character will be puppeteered</i>
