To: Casts & Crew of *Our Town* and *Matilda the Musical*

Thank you for auditioning and/or interviewing for *Our Town* and *Matilda the Musical*. The Directors and Staff of Turpin Theatre truly appreciate the time, dedication, and effort that you put into this process. Creating the cast and crew lists has involved some very difficult decisions for us. Know that we take each individual's audition, interview and callback as a testament to their goals as an artist. We have carefully built a cast and a crew that best meets the needs of this show, and are excited to begin the rehearsal process!

The first rehearsal for *Our Town* is Monday, November 29th, from 6:00pm to 9:00 p.m. in the auditorium. You are required to be there for informational purposes and to begin the process of creating a superior production. We will be taking program headshots for ALL students involved in *Our Town* this evening, so please wear a plain black shirt and be ready to look professional.

There is a parent meeting this same night as well. Inform your parents that the meeting will be from 8:00 to 9:00pm in the cafeteria. They should attend so they can receive information about your, and their, participation in the production.

REMEMBER

- You or your parent must bring your \$70 show fee to one of these meetings.
- You and your parent **MUST** sign both the Expectation and Permission forms **ONLINE** before this meeting.
- Remember to wear or bring a **PLAIN BLACK SHIRT** for your headshot. All students will be photographed this evening.

We will be using an online scheduling and communication platform called Virtual Callboard to organize schedules and information for these productions: www.ths.vcallboard.com. You should have received an email with your login information. This is our very first year using this platform, so we are all still learning how it works. Please be patient, and do not hesitate to ask questions! More information about VCB will be shared in the coming weeks.

If you have any additional questions, please take the weekend to gather your thoughts, after which you can contact Mr. Loebker at JoeyLoebker@foresthills.edu, Alec Bowling at alecbowling@gmail.com, or Malerie Jump at maleriejump@foresthills.edu.

Thank you, again, for your participation in these productions. We look forward to working with you!
